Additional Info

The position will report directly to the Town Manager, but with the right work-ethic and skills the position will require minimal supervision. Attention to detail is pivotal with this position, and the ability to operate independently and perform the assigned work diligently will be crucial to the success of the employee. A background in landscaping would be a huge plus for any candidate to possess, as will an obsession for making one's work look neat and professional on every job.

One of the primary responsibilities for this position is to help the town look neat and clean. We are looking for someone that works hard and takes the work seriously. You could be picking up litter and cleaning the town's public restrooms one day, and performing a difficult task that requires skills the following day. You will never be bored.

The position will assist the water and sewer maintenance team during the winter months, or on an as-needed basis. Assistance with reading meters and meter-cut offs will most likely be required on a monthly basis.

Directions on how to apply

Please submit a Town of Murphy application form to the NC Works Career Center office located at 800 US-64, Murphy, NC 28906 – located next to the Murphy Alcohol Beverage Control store. You can contact their office at 828-837-7407.
