

Downtown Waterline Project Update

News Release Date

04-16-2024

Town contractors will continue partial resurfacing work for the downtown waterline project tomorrow, April 17, at 8 am on Tennessee Street. Contractors will start at Red Brick Deli and work toward the downtown intersection. Parking spaces will be blocked each evening prior to the work beginning the next day. Spaces will reopen as the work progresses during the day.

The partial resurfacing work will continue throughout the week. The Town will provide updates on the scheduled paving work each day. For questions, please contact 828-837-2510, ext.4 or manager [at] townofmurphync.com.
