

Streets

The Town of Murphy is responsible for maintaining 14.8 miles of streets within the city limits, and this includes all public sidewalks within the Town's jurisdiction.

- The Town receives approximately \$56,000 annually from the State of North Carolina to help with maintenance needs
- The state monies are called Powell Bill funds, and are accrued based on a formula that factors in total street mileage and population
- Additionally, the Town spends approximately \$45,000 annually for street lights

Help the Town of Murphy keep our streets and sidewalks clean and safe. Call 828-837-2510, ext. 4 or [send email to Town Manager](#) for any of the following below:

- **Sidewalks** - Damaged or uneven sidewalks are not pleasant aesthetically and can also be a hazard.
- **Street Sweeping** - The Town of Murphy sweeps every town street periodically, but let us know if a particular street needs more attention.
- **Right of Way Maintenance** - To request mowing or tree trimming in the city streets' rights-of-way.
- **Clogged Storm Drains** - Help keep town streets free from excess debris and prevent property damage from rainwater runoff.

[Report issues](#) with city upkeep such as missed trash pickup, potholes, sidewalk issues, hydrant leaks, street light outages, vandalized street signs, and more.
