

Town of Murphy Unveils Revamped Government Website for Enhanced Accessibility and Connectivity

News Release Date

09-01-2023

Murphy, NC - September 1, 2023 - The Town of Murphy is excited to announce the launch of its newly redesigned government website, designed to create a seamless and user-friendly experience for residents, businesses, and visitors. The revamped website aims to provide a comprehensive digital platform that improves communication, accessibility, and engagement with the town's resources and services.

A New Digital Hub for Town Interaction:

The newly launched website, available at townofmurphync.com, is set to greatly enhance how individuals interact with the town's administration, departments, elected officials, and essential resources. With a smooth and user-friendly design, users will find navigating through town-related information more efficient and effortless.

Key Features and Benefits:

- Emergency Notifications and Alerts:** The website introduces a subscription feature for email and text notifications, allowing users to stay informed about emergencies, road closures, special events, and upcoming town council meetings.
- Direct Engagement:** The website fosters direct connections with elected officials and town administration, promoting open dialogue and transparent communication between the community and its leaders.
- Easy Access to Documents and Forms:** Access to town documents, permits, applications, and essential forms has been simplified, making it more convenient for businesses, residents, and visitors to access the information they need.
- Community Resources:** The website serves as a hub for connecting individuals with valuable community assets, providing a resourceful platform for businesses, residents, and visitors to discover opportunities, events, and amenities within the town.
- Enhanced User Experience:** The new website's user-friendly interface ensures an optimal experience across various devices, offering a seamless navigation journey for all users.

Inviting All to Explore and Engage:

The Town of Murphy invites all community members, businesses, and visitors to explore the newly launched website at townofmurphync.com. With its modern design and user-focused

features, the website promises to simplify and enrich interactions with the Town of Murphy.
